

DO YOU LIVE OR WORK IN MARYLEBONE? WOULD YOU LIKE A VOICE IN THE DEVELOPMENT OF THE AREA?

In 2011 the Government passed the Localism Act allowing local communities to have a larger say in shaping the development of their own locality. For the first time, local residents, businesses and all those working in Marylebone are being given an opportunity to influence future policies promoting and improving the social, economic and environmental well-being of the area.

The Marylebone Forum has been set up to take this neighbourhood planning concept forward and is applying to Westminster Council for consent to develop a 'Neighbourhood Plan'. If our application is granted we will all be able to help in determining future policy for Marylebone. You will be invited to help influence issues such as affordable housing, planning, street and public realm improvements, schools, green spaces and much more besides. Please support us in our aims to achieve this by joining the Marylebone Forum. Membership is free and you can sign up online at www.marylebone.org or fill in the form overleaf.

The Marylebone Forum is an independent organisation whose membership includes the Marylebone Association, St Marylebone Society and the Howard de Walden and Portman Estates.
